

STEP 1

- 1: Place the base face down on a soft surface.
- 2: Put the breaks on the wheels
- 3: Put a washer between the wheel and the base
- 4: Insert and tighten the wheels clockwise.

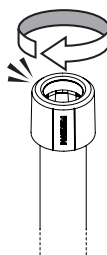

STEP 2

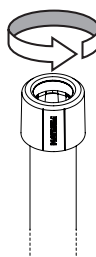

STEP 3

- 1: Tighten until you hear a click.

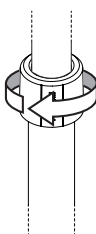

STEP 4

- 1: Unscrew the cap all the way, until the pole fits.

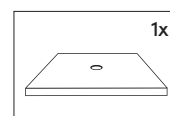

STEP 5

- 1: Insert the parasol pole and tighten it again
